

## **GRILL INSTRUCTIONS**

- 1) Gas should be turned off when not in use.
- 2) Move grill to the outside pavillion in the open to prevent fire and smoke damage.
- 3) Ensure rear bottom catch-tray is pushed in after moving the grill.
- 4) Place grill mat under grill before grilling.
- 5) Follow lighting instructions on grill.
- 6) Check rear grease cup periodically during use for overflow.
- 7) Allow grill to cool before cleaning and returning to storage.

Clean Utensils are kept in the pool office refrigerator in a bag.

Grill supplies are kept under the grill or ask the office.

***Please clean the grill and utensils after each use so they may be ready for the next members use.***
