While April is usually associated with pastels, it is the time of year when the Sugarwood Stingrays start thinking in **RED & BLACK!**

Ready to swim?

GREAT! Come to the pool pavilion on **April 19th** OR **May 3rd** between 1 and 4 pm to register and reconnect with the Stingray family.

Considering swimming?

Also great! You too are welcome at either registration event. You can meet other swim families and the coaching staff and have all of your questions answered.

Common questions include:

What if my child has never swum on a team before?

No worries- training is provided! The Rays are a very welcoming group, and the early weeks of practice focus on learning/improving the four strokes of competitive swimming: freestyle, backstroke, breaststroke, & butterfly.

How old does my child have to be?

At least 5 but not older than 18. One of the great things about swimming is that all age groups are on the same team. The Stingrays are very family-oriented!

Is it a super high-pressure thing?

Not at all. The Stingrays are known for cramming an incredible amount of fun into summer while competing to the best of their ability.
