### Letter from The Board

Bad news for all of our Sugarwood Walking Trail walkers. Due to the vandalism by a ATV during the recent rain the area of the trail that goes from the Virtue Road sidewalk behind the west side of the tennis court will be closed for repairs.

The area will have to be re-graded, seeded, and straw. Hopefully we can re-open that part of the trail late spring if all goes well. The mud on the pavilion and basketball court from the same incident should be cleaned off soon for future use. Our recreation area is for all current dues paying residents only. It is not to be used as a playground for ATV's, motorcycles, off road trucks, etc. Please respect all of our hard work to keep the area nice for what it was designed.

#### Recreation Area & General Use Area

The pool may be closed but the area is still open for use. The new expanded area is open year round and its' gate will soon have a new access entry lock installed, but until then please contact Angie Brown with the form for reservations for an organized sizable event such as ball team, birthday party etc. Otherwise, just as during the summer it will be first come first serve but please remember, there is no staff on duty and clean-up is the users responsibility. Please refer to the website for the rules and reservation form. REMEMBER the water will remain on for the outdoor kitchen and the outside tennis bathroom until freeze weather arrives sometime in November and then the building and all water will be shut off and winterized until spring.

The Board is close to finalizing the new locks and access system to be installed and when that takes place, more information will be given. Until then if you have trouble with the area and/or amenities, contact Rick Bullock.

Enjoy the reliability, quality, and features of a Fortune 500 enterprise phone system without the hassle and expense.
