If you have something you would like to have included in the newsletter, please email submissions to Sue Conway at sconway@tds.net

Recreation Area & General Use Area

The Pool is closed for the season and the Board wishes to thank the Hester's and the entire Lifeguard Staff for a clean and safe year. Thanks to Paul and Jeannie, the schedule was handled and the chemistry and maintenance was maintained through their volunteer effort virtually without a hiccup the entire season for the neighborhood. **Please thank them when you see them too!**

The pool may be closed but the area is still open for use. The new expanded area is open year round and its' gate will soon have a new access entry lock installed, but until then please contact Angie Brown with the form for reservations for an organized sizable event such as ball team, birthday party etc. Otherwise, just as during the summer it will be first come first serve but please remember, there is no staff on duty and clean-up is the users responsibility. Please refer to the website for the rules and reservation form. REMEMBER the water will remain on for the outdoor kitchen and the outside tennis bathroom until freeze weather arrives sometime in November and then the building and all water will be shut off and winterized until spring.

The Board is close to finalizing the new locks and access system to be installed and when that takes place, more information will be given. Until then if you have trouble with the area and/or amenities, contact Rick Bullock.

A Note from the SHA Board

We first want to thank all of you who are now parking your cars in your driveway. Street parking is dangerous for everyone. It is understandable that when you have contractors or visitors that they may need to park on the street. We all have both. Recently, with reports of increased speeding and cell use while driving in the neighborhood, we have had some very close calls. So far luck has been on our side. We do not want Sugarwood in the news or on TV for an accident that could have been prevented.

The second topic is to thank all of you who report problems and issues in our neighborhood. Watching out for strangers and contacting the Sheriff can help prevent future car and home break-ins. For other issues please send your signed notes to SHA, PO Box 22702, Knoxville 37933. All signed notes will be confidential and will receive a response. Please sign your note with a phone number so we can do a follow up concerning the issue. All soggy, unsigned notes in our home mail box or taped to our front door will be discarded.
