## July with the Stingrays

Riddle: What has 220 feet, 220 arms, and 110 smiles?

Answer: The Sugarwood Stingrays, of course!

A couple of Stingrays are smiling particularly big as they proudly complete their final eligible season with the rays. Swimmers cannot be over 18, so with high school graduation comes the Stingray Senior Swim. At the last home meet in June, Madison Brown and Rebekkah Barrett were honored for their many years of Stingray swimming. Bekkah made a big splash as she took her honorary final lap in her home pool while friends and family cheered. Best wishes to both of you as you take your Stingray smiles to the University of Tennessee this fall.

Watch for patriotic Stingray smiles in the Farragut July 4<sup>th</sup> Independence Day Parade. Every year the swim team brings a little water fun to the hot dryland celebration.

The Rays hit the road in July, taking Stingray pride to neighboring pools as far as Alcoa. The annual Smoky Mountain Invitational Meet will be held July 7<sup>th</sup> and 8<sup>th</sup> at Springbrook Pool. This competition is limited to swimmers who do not swim on year-round teams and has yielded many ribbons and medals for Stingrays in the past.

The next week on Thursday the 12<sup>th</sup>, the Rays will go to the Peninsula Club pool for a dual meet which will begin at 6pm.

The final dual meet of the Ray season will be held on Tuesday, July 17<sup>th</sup> at 6pm at the Gulfwood Gator pool.

The Stingray season will end with the annual Greater Knoxville Area Interclub Swimming Association (GKAISA) city wide swim meet. This competition is an exciting three day (27<sup>th</sup> through 29<sup>th</sup>) affair held at the impressive University of Tennessee aquatic center.

Riddle #2: What has 110 stings and is happy and sad at the same time?  
Answer: The Stingrays at the end of their season. They're fired up from a great summer swim season but sad to see it draw to a close. The great news is that those friendships formed around the pool can live out of water too, so Stingrays have something to smile about year round.
