Missing Dog

Rosa is a Golden Retriever that has been abused. In February she was being transported by a Golden Retriever rescue group to a new home when she escaped. Since then, Rosa has been seen living in the fence row between the nursing home and Butternut Circle. She is easily frightened and it is thought that during the July 4th fireworks she freaked out. No one has seen Rosa since July 4th. If you have any information about where Rosa is, please call Tina Fletcher of the Rescue Group at 865-773-7575.

Many thanks to John Frazier who has been keeping our shrubs trimmed at the entrance to Sugarwood.

Fish Out of Water

The Stingrays have completed another summer of FUN, FAMILY, and FRIENDS at the Sugarwood pool. As we pack up the lane lines and kickboards, it brings a feeling of satisfaction as well as a bit of excitement.

The swimmers and coaches have swum miles and miles and miles this summer. They've conquered fears, found they had previously unknown strength, and seen improvement in their times as a result. Many have mastered a new stroke. All have made friends and memories.

The satisfaction and pride, as well as relationships, all survive out of water, though. The Stingrays are already looking forward to 2013!

Go Stingrays!
