Street Parking & Safety

There have been resident concerns regarding vehicles being parked on the streets for an extended period of time. We know there are circumstances such as parties or guests from out-of-town that require street parking. However, residents of Sugarwood need to park their vehicles in their driveways. This is for the safety of everyone. **Thanks for your cooperation.**

Example of homes required for street light petitions.

Street Light Petitions

In order to petition for a street light, the two houses directly beside the green electrical box and the two houses directly across the street are the four houses involved in the petition. All four homeowners must sign the petition. (see diagram to the left.)

Our deepest sympathy goes out to the Bates Family in the loss of their son and to Eileen Smith in the loss of her mother. Our thoughts and prayers are with you.
